Dear Valued Subscriber,

**Update: Release of eLitigation Cause Book Search User Guide**

The LawNet Due Diligence service will be decommissioned tomorrow, 15 October 2013. It will be replaced by a new enhanced integrated search module for litigation data named Cause Book Search (CBS) on the same day.

To facilitate a seamless transition to the CBS module in eLitigation, a user guide has been prepared. It is available for download at the following link, [https://www.elitigation.sg/Documents/eLitigation Cause Book Search User Guide V1.0.pdf](https://www.elitigation.sg/Documents/eLitigation%20Cause%20Book%20Search%20User%20Guide%20V1.0.pdf).

More information on Cause Book Search can be found in the Reference Centre of the Get Ready site (<https://www.elitigation.sg/getready/causebook.html>) and in the Cause Book Search FAQs ([https://www.elitigation.sg/ layouts/IELS/Home/PortalFAQ.aspx](https://www.elitigation.sg/layouts/IELS/Home/PortalFAQ.aspx)).
